## STYLE INTRO SESSION

### *How to prepare for your session: Don't panic!*

- ✓ No need to clean up or go through your wardrobe – that's why we're here!
- ✓ Think about the pieces in your closet that you love and why.
- ✓ Identify people or celebrities who have a style you like.
- ✓ No need to brush up on Vogue or fashion stuff. Personal style is less about fashion and more about creating confidence through your wardrobe.
- ✓ Enjoy yourself and relax!
